Away We Go—Hop on the train, get in the car, board the plane, and Away We Go! This class focuses on transportation, a favorite topic for toddlers who are on the go! Sing and play along with favorite songs, such as "I've Been Workin' on the Railroad" and "Wheels on the Bus". Explore fast and slow, smooth and bumpy, and high and low. Read stories about ways to get around. Shiny Dinah tells the story of a train, and Giddy-Up! has a horse, speedboat, racecar, and more to help you get where you want to go.

Home Materials: Double CD features 50 songs, sounds and recordings of favorite activities from class; two story books to develop early literacy skills; home activity book; and specially-made harmonicas to imitate the sound of a train whistle-- all conveniently stored away in an Away We Go train carry box.

Here, There, Everywhere—The five sub-themes center around different family outings: a visit with a friend, an outing at the park, a trip to the city, an afternoon at the aquarium, and a day at the farm. Move like animals with this unit's story Flip-Flap, Sugar Flap! and follow a girl's adventure as she loses her jambourine during the day's outings and then finds it in the story Jingle-Jangle Jambourine.

Home Materials: 2 literature books: *Flip-Flap*, *Sugar Snap* and *Jingle-Jangle Jambourine*, a game board; 2 home CDs; 2 jambourine instruments (Note: the jambourine is approved for use with children ages 8 and up). *Sing, Play & Grow!* a family guide to musical fun—a book full of activities, information about child development, as well as fun facts about the songs enjoyed in class. Jellybean band puppets: Wags the dog (hand puppet and finger puppet)
